

## The CND Daily Nail 9.9.11 Lucite Lace Nails at Joy Cioci

September 9, 2011 – CND pioneered nails as runway accessories 30 seasons ago and were FIRST to collaborate with designers behind the scenes! Today's manicures were lace-inspired, had rockstar edge, and glowed from within:

At **Joy Cioci**, **Candice Manacchio** designed "Lucite Lace" manicures using clear tips with hand-detailed lattice work. These see-through nails provided energy and attitude when paired with a fiery orange lip and frantic, whimsical curls.

For **Nicole Miller**, **Wanda Ruiz** crafted glam rock checkered manicures using CND Colour in **Raspberry Parfait** and a custom-mixed blue. Nails were finished with one layer of **Ice Blue Shimmer Effect**. Create this look at home by doing a vertical sweep of pink down your nail, and do the same with a sweep of blue so each half of the nail is covered with a color. Then go over with each color for the opposite corners. Top all nails with **Ice Blue Shimmer** for a dazzling finish.

At **NAHM**, **Wanda Ruiz** created three unique oval manicure styles to color coordinate with airy white sundresses, plum-punchy prints and burnt orange woven shifts. Cottony-white nails were crafted with two coats of CND Colour in **Washed Down White**. Faded Creamsicle-orange nails were comprised of CND Colour in **Desert Suede** topped with **Copper Shimmer Effect**, and precious ruby nails were done using CND Colour in **Dark Ruby** finished with **Copper Pearl Effect**. These luminescent styles complemented twisted unicorn top-knots and shimmery eye make-up.
